Junior Infants A

Junior Infants have been working hard since Easter. We really enjoyed learning about different countries and trying out different foods. Our class trip to the farm was great. We got to see all the animals we learned about in class. We hope everyone has a great summer.

1st Class

We really enjoyed learning about different countries and cultures in multicultural week. We particularly liked the food-fare where we sampled lots of delicious food. You wouldn't believe how fast we ran at sports day and we really had our strength tested in the tug-o-war. We have worked very hard in 1st class and now we're ready for 2nd. We wish everyone a safe and happy summer.

5th Class

5th class had a busy last term. We visited Case-ment Aerodrome and were brought on board planes and helicopters used by the air corps which was very exciting. We really enjoyed multi-cultural week during which we had a class visit from Malek and his mother who taught us all about Libya. We did six weeks of tag rugby and competed in a one day blitz in UCD sports grounds. And finally, we went on our class tour to Jump Zone where we had a fantastic day out. We'd like to wish everyone a happy summer holiday!
